Confirmation Life@FAU

We hereby confirm that the doctoral candidate _____ has applied for admission to Life@FAU. The doctoral student is obliged to submit the complete application for Life@FAU membership upon arrival in Erlangen/Germany. If the full application meets the admission requirements, he or she can be admitted to Life@FAU.

The official application must be submitted no later than 6 months after the beginning of the doctoral thesis.

The application has to be done via the official application tool <https://life.med.fau.de>

The following documents are then necessary and have to be uploaded to the application:

- Copy of supervision agreement
- Curriculum vitae, 1 page maximum
- Brief summary of your doctoral project

At the time of initiation of the doctorate procedure, the active Life@FAU membership must be proven.

(Please find the information about the training modules online:
<https://www.life.fau.eu/participation/trainingmodules/>)

This is a requirement of FAU doctoral degree regulations.
