

Arrival

Venue

Hörsäle Medizin, kleiner Hörsaal and Foyer  
Ulmenweg 18  
91054 Erlangen

Arrive by public transport

Hauptbahnhof Erlangen (reachable by ICE train)  
is located approximately 1 km from Hörsäle  
Medizin.

The bus line

“CityLinie 299” (marked yellow) is free of charge  
and runs every 15 minutes. Please exit at  
Unikliniken/Maximiliansplatz.

Arrive by car

From the A 73 exit “Erlangen Nord“,  
follow the signs saying “Parkhaus Uni Kliniken“.  
There is a limited number of short term and  
single day parking spaces near the clinics.  
Please use the multi storey car park  
“Parkhaus Uni Kliniken“ at Kussmaulallee 14  
(vehicle access via Palmsanlage). Long term  
parking is located at the parking area west of  
the railway station.

# Interfaces in Immunomedicine

Microenvironment, Inflammation  
and Autoimmunity

1<sup>st</sup> Advanced Clinician Scientist Symposium

24. – 25. September 2025 in Erlangen

Hörsäle Medizin, kleiner Hörsaal/Foyer  
Ulmenweg 18, 91054 Erlangen

Advanced Clinician Scientist Programm iIMMUNE\_ACS-  
Interfaces in Immunomedicine

Speaker: Prof. Dr. med. Beate Winner  
Prof. Dr. med. Maximilian Waldner

Coordinator:

Dr. Jasmin Raufer  
Kussmaulallee 4, 91054 Erlangen

Tel.: 09131 85-47421  
iimmune.acs@uk-erlangen.de

13:00     **Registration, snacks**

14:00     **Welcome note**  
Beate Winner and Maximilian Waldner, Erlangen

**Session I**  
Chair: Fabian Müller/Martin Regensburger

14:15     **Immunotherapy in solid cancers**  
John Haanen, Amsterdam

15:15     **Co-Evolution of Glioblastoma associated tumor and immune cells**  
Roman Sankowski, Freiburg

15:45     **Coffee break & Poster Session**

**Session II**  
Chair: Christina Bergmann

17:15     **Inflammation-induced tissue remodeling – Focus on fibroblasts**  
Jörg Distler, Düsseldorf

18:15     **Immune evasion and metastatic liver colonization by disseminated cancer cells**  
Peter Dietrich, Erlangen

18:45     **Snacks and Bites**

**Session III**  
Chair: Bettina Hohberger

8:30     **Autologous T-Cell Therapies for Solid Tumors**  
Liane Preußner, Immatrics

9:30     **Cured but not healthy – Long term impact of cancer and therapy on immunity**  
Fabian Müller, Erlangen

10:00     **Novel targets and targeting strategies for CAR T-cells in hematology and beyond**  
Sophia Danhof, Würzburg

10:30     **Coffee break**

**Session IV**  
Chair: Moritz Leppkes/Martin Regensburger

11:00     **Immune-driven tissue responses in Systemic Sclerosis**  
Christina Bergmann, Erlangen

11:30     **Influence of T-cells on the development and progression of Alzheimer’s disease**  
Johanna Knöferle, Bonn

12:00     **CD4 T-cell exhaustion in human autoimmune disease**  
Alexander Scheffold, Kiel

13:00     **Poster Prizes and Concluding Remarks**  
Beate Winner and Maximilian Waldner, Erlangen

13:15     **Lunch, Departure**

- Christina **Bergmann**, Erlangen
- Sophia **Danhof**, Würzburg
- Peter **Dietrich**, Erlangen
- Jörg **Distler**, Düsseldorf
- John **Haanen**, Amsterdam
- Johanna **Knöferle**, Bonn
- Fabian **Müller**, Erlangen
- Liane **Preußner**, Immatrics
- Roman **Sankowski**, Freiburg
- Alexander **Scheffold**, Kiel

Symposium committee

- Christina Bergmann
- Bettina Hohberger
- Peter Dietrich
- Fabian Müller
- Moritz Leppkes
- Jasmin Raufer
- Martin Regensburger
- Maximilian Waldner
- Beate Winner

**Accommodation**  
A small number of hotel rooms have been reserved. Please contact the coordinator if you would like to book one.

**Call for Posters**  
Present your poster during the Poster Session – and maybe win a prize (places limited)! You can register your poster with your general registration for the symposium or by sending an email to [iimmune.acs@uk-erlangen.de](mailto:iimmune.acs@uk-erlangen.de).

**Registration**  
Participation in the symposium is possible only with registration by 18 July 2025 under <https://eveeno.com/acs-symposium-2025>  
  
There is no registration fee. Snacks, coffee and lunch are free of charge for registered attendants.

**Child Care**  
Please contact the coordindator if you would like to make use of our Child Care service.
